

PENGUMUMAN HASIL SELEKSI AKHIR

International Student Mobility – Internship Program

Universitas Riau × CT Group Vietnam

Universitas Riau, in collaboration with CT Group Vietnam, is pleased to announce the final selection results of the International Student Mobility – Internship Program. Universitas Riau sincerely appreciates the enthusiasm and strong interest demonstrated by all applicants who participated in the selection process.

This program provides Universitas Riau students with valuable opportunities to gain professional experience, global exposure, and cross-cultural engagement through an international internship placement in Ho Chi Minh City, Vietnam.

The selection process was conducted through a rigorous and merit-based evaluation, consisting of administrative screening followed by interview assessments conducted by the selection committee. Candidates were evaluated based on their academic background, communication skills, professional motivation, global competencies, and overall program suitability.

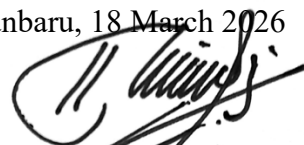

Following the comprehensive evaluation process, **20 candidates have been officially selected** to participate in the International Student Mobility – Internship Program at CT Group Vietnam.

The list of selected candidates is presented in Appendix 1 of this announcement.

Further information regarding the internship schedule and detailed program timeline is currently being finalized in coordination with CT Group Vietnam. Once confirmed, the organizing committee will distribute a **Participation Confirmation Form** to all selected candidates to formally confirm their participation in the program.

We congratulate all selected candidates and look forward to their participation in this international internship program. For further information, candidates may contact the program committee.
